Consent/Decline Directive for Cardiopulmonary Resuscitation (CPR) and Release of Legal Liability

Should, based on the medical judgment of an Animal Diagnostic Veterinarian, my pet, require cardiopulmonary resuscitation (CPR), including cardiac compression, positive pressure respiration, emergency drugs, or other heroic interventions, I request or decline that the doctor(s) at Arrow Animal Urgent Care pursue such medical care as indicated below.

REQUEST CPR

Having requested such emergency procedures, I agree to be held responsible for a minimum resuscitation fee of \$375 to pay for the services performed while staff members pursue treatment and try to reach me for further directions. Regardless of my pet's survival, I agree to pay this fee in addition to the other fees already identified by the practice and agreed upon by me. I agree that if the Arrow Animal Urgent Care staff is unable to reach me within 15 minutes after the initiation of CPR procedures, and after exercising reasonable medical judgment, a veterinarian determines that there appears to be virtually no hope for medical success, the future CPR procedures will cease. I have been informed by Arrow Animal Urgent Care and understand that despite the best efforts of the veterinarian and staff at Arrow Animal Urgent Care, CPR may not save my pet's life. I also understand that even the most successful CPR that restores my pet's life may not allow my pet to regain his/her normal mental and physical health, and thus may leave him/her as invalid.

_____ I request CPR.

DECLINE CPR

DO NOT RESUSCITATE MY PET. I have read the above information and release. I agree to the above terms and request that **NO CPR BE PERFORMED ON MY PET.**
